

Teo Tomczuk, Ghost

Teo Tomczuk prezentuje piosenkę "Ghost".

Pounding on my chest now
Grinding on my teeth now
Got me feeling stressed out
I don't wanna break, I don't wanna break down
I'm still going back to the grave you dug
And I just refuse to move on (move on)
You left me with an ego death
I don't wanna break, I don't wanna break down

Oh, don't know where to go, where to go, ooh
And it's criminal, criminal, yeah
How you stole my soul, stole my soul

I'm just a fool lost in the graveyard
Searching for you, where have you gone?
I'm on the move, don't need no daylight
Feel like a ghost, feel like a ghost
I'm just a fool lost in the graveyard
Searching for you, where have you gone?
I'm on the move, don't need no daylight
Feel like a ghost, feel like a ghost

My heart is beating like a drum
I'm the rider of the storm
So addicted to the action
Hide away now from the sun
Take my love and let it burn
I'm in need of a distraction

Oh, don't know where to go, where to go, ooh
And it's criminal, criminal, yeah
How you stole my soul, stole my soul

I'm just a fool lost in the graveyard
Searching for you, where have you gone?
I'm on the move, don't need no daylight
Feel like a ghost, feel like a ghost
I'm just a fool lost in the graveyard
Searching for you, where have you gone?
I'm on the move, don't need no daylight
Feel like a ghost, feel like a ghost

(Dig me down, dig me down, down to the core)
(Dig me down, dig me down, down to the bone)
(Dig me down, dig me down, down to the core, yeah)
(Dig me down, dig me down, down to the bone)

I'm just a fool lost in the graveyard
Searching for you, where have you gone?
I'm on the move, don't need no daylight
Feel like a ghost, feel like a ghost
I'm just a fool lost in the graveyard
Searching for you, where have you gone?
I'm on the move, don't need no daylight
Feel like a ghost, feel like a ghost
