

# Teramaze, Shadows

Hypocrites spreading evil through society  
The thoughts of being malicious have proven man to fall  
Causing false assurance beneath his skin  
Apocalyptic overflow has yet to be re-born  
Yet to be re-born  
Shadows of an old man  
As the dove cries out for peace  
Lies the shattered old man  
Falling inside and you cannot escape  
The realm of darkness  
Wisdom is wiser than not knowing  
Where you belong  
You belong in the light  
Shadows of an old man  
As the dove cries out for peace  
Lies the shattered old man
