

Terence Trent D'Arby, O Divina

Fundamentally sound
My karma 's coming round
And I'm not worried
Fundamentally blue
Except when I'm with you
My soul 's excited
O she comes in flavours
Like the kiss of a tangerine
And she comes in graceful
Animation like fantasy
Right there,right there,right there
Right there,right there right
O Divina perhaps you' ve seen her
Or been her or are her
O she comes in waves of
Satisfaction that sing to me
And she understands that
Forgiveness is charity
Right there,right there,right there
Right there,right there right
O Divina perhaps you' ve seen her
Or been her or are her
O she comes in lovely affirmations
Like " yes you can ! ";
And her love is unconditional
And says " you're the man ";
Right there,right there,right there
Right there right there,right
O Divina perhaps you've seen her
Or been her or are her.
