

Terminal Choice, Animal (Hocico Mix)

I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal

theres nothing left to say
stay away from me
you better walk away
you just want me can't you see?

<<fuck you like an animal>>
<<fuck you like an animal>>

I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal

you're body looks like sin
i think i want to taste you
i can smell your skin
but i just want to use you

<<fuck you like an animal>>
<<fuck you like an animal>>

I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
I don't want you
and I don't need you
going to fuck you like an animal
