

Terminal Choice, I Kissed Her

I am trapped in a world
Of illusion and fear
But in my dreams
I escape from this place

And in a dark and cold night
I met my destiny
I looked into her eyes
And I saw a fragile child

And then she fell into my arms
I couldn't resist
I kissed her
And it felt like heaven

I can't understand
But I don't want to understand

And then we were alone
Everything could've happened
She looked into my eyes
And she saw my confusion
So she took me by the hand
And whispered: "May I kiss you?"

I felt her warm lips on mine
And I want did it last forever
