

Terminal Choice, In Your Soul

Bist Du bereit
Fr Deinem Gott zu sterben?
Das bin ich

You need a new god
You need a leader
Someone to show you
How you life should be

You see no future
You have no dreams
You're just afraid
Afraid of yourself

And so you pray
To an unholy force
You praise the evil side
You praise the evil side

You sacrifice your life
To a darker religion
You are fascinated
By the beauty of death

You feel no love
But you feel no pain
There's a black hole
In your soul

You see no hope
There is no god
Only darkness
In your soul
