

Terminal Choice, Kiss You (remix)

your body is blinding
next to mine
I touch your skin
it feels so fine
your blood-red lips
close to mine
when I kiss you
would it be a crime

your broken eyes
staring in the sky
your rotten lips
give me a smile
you are dead
but I don't care
your by my side
you died on your blare

I wanna kiss you
I wanna kiss you
I wanna love you
I wanna love you

I hold you forever
your the girl for me
my love is eternal
can't you see
even
if your body decays
I'm happy with you
look in my face

I wanna kiss you
I wanna kiss you
I wanna f**k you
I wanna f**k you
I wanna kiss you
I wanna kiss you
I wanna f**k you
I wanna love you
