

# Terra Naomi, You For Me

I wanna make enough money  
To run my life  
From the top of a mountain  
In the dead of night  
It'll be you and me  
And a couple of dogs  
And the rest of the world  
Can just move on  
Cuz i got what i want  
And i got what i need  
And theres nothing  
In this world  
But you  
For me

And therell be fish in the lake  
And therell be chickens on the lawn  
And well never go to sleep  
And ill never even yawn  
And youll tell me lots of stories  
About when i was old  
And i wasnt too much fun then  
From all the stories i been told  
Now i got what i want  
And i got what i need  
And theres nothing  
In this world  
But you  
For me

And all the those little things we like to talk about  
All those little things we like to say  
Nothing even matters at all  
cept for how we live today

And we can sit up on the mountain  
I can hold your hand  
And well forget all that we learned  
And well forget our plans  
And we can see things clearly  
In the absence of the light  
And well realize theres nothing  
More than this tonight  
And i got what i want  
And i got what i need  
And theres nothing  
In this world  
But you  
For me
