

Terra Skye, I Have No Clue

i have no clue,
Any songs by this artist,
She sounds really bad,
Sorry if she is not,
But i think that she is

Terra is a odd person,
SHe has no life,
She makes up songs by other artists,
And she should go to h*ll,

This person is horrible,
She kicks dogs and cats too,
If she got a gun,
She would kill you as well,

Terra is a odd person,
SHe has no life,
She makes up songs by other artists,
And she should go to H*ll

OK i know this is not a real song,
BUt maybe it will pass,
I will check back soon,
and if its not there i'll kick your @\$#!
