

Terranova, Turn Around

Cath coffey:

Turn around and around, and it's always been the same
It's never gonna change, never gonna change
Turn around and around, it's always been the same
It's never gonna change, no, it's never gonna change
We are human
Human

I am a rock, you are a rock, he is a rock
She is a rock, they are rocks, we are rocks, we are rocks
We're a landslide
A landslide

Turn around and around, and it's always been the same
And it's never gonna change, never gonna change
Turn around and around, and it's always been the same
And it's never gonna change, never gonna change
We are human
Human

I am a grain, you are a grain, he is a grain
She is a grain, we are grain, they are grains, we are grains
We're a mad dog
A desert

Turn around and around, and it's always been the same
And it's never gonna change, never gonna change
Turn around and around, and it's always been the same
And it's never gonna change, no, it's never gonna change
We are human

I am you, you are me, he is she
She is he, we are they, they are we, we are they
We are human
Human

Turn around and around, and it's always been the same
And it's never gonna change, never gonna change
Turn around and around, and it's always been the same
It's never gonna change, no, it's never gonna change
We are human
Human

I am you, you are me, he is she, she is he
We are they, they are we, they are we, we're the same
We're survivors
Survivors

Turn around and around, and it's always been the same
And it's never gonna change, never gonna change
Turn around and around, and it's always been the same
And it's never gonna change, no, it's never gonna change
We are human
Human
We are human
