

# Terri Clark, I Just Called To Say Goodbye

Boy, I didn't mean to wake you.  
I'm ok, yeah everything's all right.  
I'm in a phone booth outside of Denver,  
I drove all night.

Well, I would've called you sooner,  
but I knew you'd talk me out of this.  
I've had a lot of miles to do some thinkin',  
now it all makes perfect sense.  
No I haven't changed my mind,  
I just called to say goodbye.

CHORUS:

You should see this mountain sunrise,  
it looks just the way I dreamed.  
I got my map of Colorado in the seat right next to me.  
If it ain't packed in this ol' Plymouth,  
it's better left behind.

I just called to say goodbye.  
Boy, you know I'm gonna miss you,  
but we both know it's for the best.  
We just can't keep usin' each other,  
as a safety net.  
I bet someday your gonna thank me.  
when you finally get a taste of true love.  
Baby, what we had was pretty good,  
just not enough.

So here's to tears we'll never cry,  
I just called to say goodbye.

CHORUS:

You should see this mountain sunrise,  
it looks just the way I dreamed.  
I got my map of Colorado in the seat right next to me.  
If it ain't packed in this ol' Plymouth,  
it's better left behind.

I just called to say goodbye.  
If it ain't packed in this ol' Plymouth,  
it's better left behind.

I just called to say goodbye  
I just called to say goodbye.
