Terri Clark, I Wanna Do It All

I'm sitting in traffic
For the 5th year in a row
Wasting my time
Just to get
Where I don't even wanna go
I started jotting things down
On a krispy kreme sack
Everything I'd do
If I could leave this place
And never look back

I wanna do it all
Visit Paris in the fall
Watch the Yankees play ball
I wanna take it all in
Catch a few beads
Down at Mardi Gras
Start a tradition
Lay down the law
I wanna do it all

I want to drink tequila
Down in Tijuana
Say why not
When somebody says
Hey do you wanna
I wanna get my heart broke
Once or twice
Settle down with the love of my life
Rock little babies to sleep at night

I wanna do it all
Visit Paris in the fall
Watch the Yankees play ball
I wanna take it all in
Catch a few beads
Down at Mardi Gras
Start a tradition
Lay down the law
I wanna do it all

I wanna spend a day Every now and then Just doin what I want to do When I wanna do it Anytime I wanna do it

I wanna do it all
Visit Paris in the fall
Watch the Yankee's play ball
I wanna take it all in
Catch a few beads
Down at Mardi Gras
Start a tradition
Lay down the law

I wanna do it all See Niagara falls Fight city hall Feel good in my skin Beating the odds With my back to the wall Try to rob Peter Without paying Paul I wanna do it all I wanna do it all I wanna do it all
