

Terri Clark, Keeper Of The Flame

(Terri Clark)

We pass in the hallway
I stop to kiss you on the cheek
But you're in a hurry
You've got a deadline you must meet
You're working so much these days
You don't have time to spend with me
But I keep hoping we might get back
To the way love used to be
I am the keeper of the flame
You only helped me build the fire
And it's getting harder every day
To make our love burn with desire
'Cause if I left it up to you
Only ashes would remain
When it needs shelter from the rain
I am the keeper of the flame
We live here together
But I feel we're worlds apart
When I tell you I love you
You never listen with your heart
I may look like I'm doing fine
But I'm dying deep inside
'Cause I've done all that I can do
To try and keep this love alive
I am the keeper of the flame
You only helped me build the fire
And it's getting harder every day
To make our love burn with desire
'Cause if I left it up to you
Only ashes would remain
When it needs shelter from the rain
I am the keeper of the flame
Oh, when it needs shelter from the rain
I am the keeper of the flame
