

# Terror, All I've Got

This is all that I've got

My only hope ' My hope  
This is my truth ' My truth  
Everything I believe  
I found in you  
And I'll never turn away  
From all that you gave  
This is one life, you truly saved

This is all that I've got  
This is all that I want  
This is all that I've got  
All I need

And everywhere I go  
I find those just like me  
The words I speak, what I've been through  
They know exactly what I mean  
And although we've never met before  
You're still part of me  
If you were down, I'll be there  
To bring you to your feet  
This is all that I've got  
This is all that I want  
This is all that I've got  
All I need

In this world full of filth and hate  
In you I found my escape  
And I'll give ya back until my last breath  
Believe me, believe in this

This is all I've got
