

# Terror, Find My Way

This track feature guest vocals by Freddy Cricien.

My friends are all dying  
They're struck down by disease  
A family built on lies  
Now none of them even know me  
Through the crowds I walk  
But still I'm left alone  
So I'll push on, with all I've got  
It's all I've ever known

Don't tell me that I'll be okay  
Can't trust in anything  
I'll survive, I got heart  
I'll find my way

For everything I gave  
I've got nothing to show  
Feeling lost and out of place  
Is all I've ever known

Don't tell me that I'll be okay  
Can't trust in anything  
I'll survive, I got heart  
I'll find my way

I'll find my way  
Give me the strength  
I'll find my way  
You think that is all I can take

My way  
I'll find my way
