

# Terry Allen, Southern Comfort

When Jesus saves the world  
Where will you be?  
Out on the lonesome plains o Texas  
Or the shores of the Galilee  
When Jesus Saves the World  
Which he will surely do  
It don't matter where you are  
He's gonna bring his wrath on you  
Ah-um Mississippi Ah-um Alabama  
Ah-um Louisiana Ah-um Nashville  
Tennessee  
When Jesus Saves the world  
And tallies up the toll  
For ever one he sends to Glory  
Be a billion burn below  
When Jesus Saves the world  
He'll be looking right straight at you  
An ever sin you ever did  
Gonna stick out clear and true  
Ah-um Carolinas Ah-um Atlanta Georgia  
Ah-um Miami Florida Ah-um New Orleans  
When Jesus Saves the world  
You're either on or off the track  
There ain't no reincarnation  
You won't be commin back  
When Jesus Saves the world  
Your loved ones will be gone  
You'll have to face his awful judgment  
Stark naked all alone  
Ah-um Oh Virginia Ah-um Oklahoma  
Ah-um Arkansas Ah-um Abilene  
When Jesus Saves the world  
All time will stop with sin  
And nothin will be mysterious  
It'll all just be The End  
When Jesus Saves the world  
He will kill it too  
And the righteous will rise to Glory  
What a comfort to me and you  
Ah-um
