

Terry Allen, Whatever Happened To Jesus

Tell me whatever happened to Jesus
Ahhh where did that good old boy go
Did you leave him behind back in Texas
Or did he just hide
In the devil's disguise
Somewhere in your soul
And
Tell me whatever happened to Mary
Whatever happened to her sweet dreams
Did she leave them behind with her
Childhood
Or just trade em in
On a tube
Of Maybellene ... ahhh
Maybellene, why can't you be true
Yeah Maybellene, why can't you be true
You done started back doin them thangs you used
to do...
You done started back doin them thangs you used
to do
