

# Terry Winter, Our Love Dream

I am dreaming very much  
Of our tomorrow  
And I am thinking very  
Much of our today.  
And I don't have no time  
To think of sorrow,  
For I love you as  
I've always done before

I know everybody wants  
To know our story  
And I know that I don't see, I don't care  
And I know people  
Who wanna feel they're sorry,  
So I play them all.  
I've moved this theme to play.

And I love you more and more,  
Like I've always done before  
And I know that life has been  
So good to me oh!

And I love you and I'm sure  
For it's really very pure  
And I know that you will  
Never fail with me

(Solo)

And I don't have no time  
To think of sorrow,  
For I love you like  
I've always done before

And I love you more and more,  
Like I've always done before  
And I know that life has been  
So good to me oh!

And I love you and I'm sure  
For it's really very pure  
And I know that you will  
Never fail with me
