

# Tesla, Games People Play

(Joe South)

All the games people play now, every night every day now  
Never meaning what they say now, never saying what they mean  
While they while away the hours in their ivory towers  
Till they're covered up with flowers in the back of a black limousine

Oh we make one another cry, breakin' hearts when we say goodbye  
Cross our hearts and we hope to die, except the other was to blame  
Either one will ever kill it, so we gaze and we make pretend  
Thinkin' 'bout things that might have been, oh it's a dirty rotten shame

[Chorus:]

Ladandaladandadada, ladandaladandadadee  
Talkin' 'bout you and me, and the games people play  
Ladandaladandadada, ladandaladandadadee  
Talkin' 'bout you and me, and the games people play

People walkin' up to ya, singin' glory hallelujah  
Sayin' what the hell's it to ya, if we do it in the name of the Lord  
We're gonna teach ya how to meditate  
[Preach our hearts from teacher's faith]  
Put them on a hell of hate, come on, let's get on board

[Chorus]

[Solo]

Look around, tell me what you see, what's happening to you and me  
Got burning my serenity, to the neighborhood at hand  
'Cos you're givin' up your sanity, or your pride and your vanity  
Turn your back on humanity, ow, when you don't give a damn, not a damn

Ladandaladandadada, ladandaladandadadee  
Talkin' 'bout you and me, and the games people play  
Ladandaladandadada, ladandaladandadadee  
Talkin' 'bout everybody, talkin' 'bout you, 'bout you and me  
(Ladandaladandadada) you and me, (ladandaladandadadee)  
I'm talkin' bout the games, the games we all play  
(Ladandaladandadada) ladanda, (ladandaladandadadee) ladandadadee  
All the games, talkin' bout the games people play  
(Ladandaladandadada, ladandaladandadadee)  
(Ladandaladandadada, ladandaladandadadee)  
(Ladandaladandadada, ladandaladandadadee)
