

Tesla, Got No Glory

this is the song GOT NO GLORY off of INTO THE NOW cd:

What i feel is what i say,
I'm keeping it real so never mind the taste,

Cause i know there's nothing deeper than truth,
So give me the reason not the excuse,
Even the things i can hardly believe,
Is something that i can use,

I'll never be your alibi,
Or tell you what you want to hear,
Knowing that i'd rather die.
Than have my words be insincere,

I GOT NO GLORY,

So i'm gonna give it to you like it is,
If you want to hear the real story,
And not some candy coated lie

COME AND GET IT

To falsify don't make no sense,
I'd rather deal with the consequences,

Cause i know there's nothing deeper than truth,
So give me the reason not the excuse,
Even the things i can hardly believe,
Is something that i can use

I'll never need an alibi,
Don't sell it to me out of fear
I told you that i'd rather die.
Than have my words be insincere

I GOT NO GLORY,

So i'm gonna give it to you like it is,
If you want to hear the real story,
And not some candy coated lie

I GOT NO GLORY,

So i'm gonna give it to you like it is,
If you want to hear the real story,
And not some candy coated lie

COME AND GET IT
