

# Tesla, Makin' Magic

Now, I don't wanna waste your time,  
I only want to satisfy.  
So wind me up and watch me go,  
I'm gettin' crazy as the night unfolds.

Gimme, gimme what I want,  
Keep it up now, don't stop,  
And I will do the same for you.  
I'm gonna take it over the top.

What you see ain't what you get,  
There's more than meets the eye.  
'Cause you ain't seen nothin' yet.  
It's up to us, me and you,  
Together we can fly high, high.

I got you, now you got me.  
Feels so good to be  
Makin' magic, makin' magic,  
It ain't no mystery. Come on!

Get down, way down low.  
C'mon let's get on with the show.  
And let the music set you free.  
Like a leaf in the wind, let it be.  
Gimme what I need to satisfy  
This dirty one-track mind.  
You know I ain't got nothin' but time  
To burn with you tonight.

Now anything you see is everything you get  
At your desire.  
I know it's makin' you hot and know it's soakin' me wet.  
Higher and higher, feedin' the fire,  
Let it burn.

He's got her and she's hot and you got me.  
Don't it taste so sweet!  
Makin' magic, makin' magic,  
It ain't no mystery.  
Now, when I get into you, get into me.  
The rest is history.  
Makin' magic, makin' magic,  
Let's get it together. C'mon.  
Ready, get set, just like one two and three!

Now it's taking me away to that magical land.  
Many will search and never find what's yours and mine.

You got me burnin' hot, now you're soakin' me wet.  
Even better than a lick and a kiss.  
Makin' magic, makin' magic,  
It ain't no mystery.  
Now, you think you've seen it all.  
You ain't seen nothin' yet.  
It sure beats the rest.  
Makin' magic, makin' magic,  
It ain't no mystery.
