

# Tesla, Paradise

(Keith, Wheat, Hannon)

Hold me close now, hold me tight, don't let go of me tonight  
You're all I want, you're all I need  
Hold me close now, hold me tight, and don't let go of me tonight  
Sweet paradise, yeah

How I love all of those crazy little things you've said and done for me  
You're the one for me  
Darlin', dry your eyes, I can't stand to see you cry  
Now just turn and walk away, don't look back when I say goodbye paradise

Days go by and life goes on, I feel I've been away too long  
What I would give to be with you, days go by and life drags on  
Feel I've been away too long, for much too long, yeah

And all the while that I'm away, don't let our love fade away  
Don't you fade away  
Now as sure as the sun is gonna shine, the day will come  
Now I'm waitin' for the day, there'll be no more sayin' goodbye paradise

My sweet paradise, you are the reason why it tears me up inside  
And I break down and cry, didn't wanna say goodbye paradise

I'm comin' home to you tonight, comin' home to you tonight  
So hold on tight, tonight I'm on my way back home to paradise

I'm so lost without you, I can't live without you  
I've been away too long, now, tonight I'm on my way back home to you  
My my paradise, my my paradise  
To hold you in my arms, you're all that I adore  
To see your smilin' face as I walk through the door  
I'll never say goodbye again, no

[Solo]

Hey, we're Pogo! Oh, okay. Here we go  
As a matter of fact, this song was wrote about a town that is not part of  
where we're from (Freebird!) No, we're not from Alabama, man  
We're from California (Californ-I-A. We like Philadelphia though, I mean)  
Oh yeah, we like ya a whole bunch (yeah, we're ready)
