

# Tesla, Thank You

If the sun refused to shine  
I would still be loving you  
When mountains crumble into the sea□  
There would still be you and me

Kind woman, I give you my arm  
Kind woman, nothing more  
Little drops of rain  
Whisper of the pain  
Tears and love lost in the days gone by

My love is strong  
With you there is no wrong  
together we shall go until we die  
my my my  
Inspiration's what you are to me

Inspiration-look, see

And so today, my world smiles  
Your hand in mine, we walk the miles  
Thanks to you, it will be done  
For you to me, are the only one

What I say is  
Happiness no longer sad  
Happiness, I'm glad

If the sun refused to shine  
I would still be loving you.  
When the mountains crumble to the sea  
There would still be you and me.  
Ahhh, Thank you.
