

Tesla, Thank You

If the sun refused to shine
I would still be loving you
When mountains crumble into the sea□
There would still be you and me

Kind woman, I give you my arm
Kind woman, nothing more
Little drops of rain
Whisper of the pain
Tears and love lost in the days gone by

My love is strong
With you there is no wrong
together we shall go until we die
my my my
Inspiration's what you are to me

Inspiration-look, see

And so today, my world smiles
Your hand in mine, we walk the miles
Thanks to you, it will be done
For you to me, are the only one

What I say is
Happiness no longer sad
Happiness, I'm glad

If the sun refused to shine
I would still be loving you.
When the mountains crumble to the sea
There would still be you and me.
Ahhh, Thank you.
