

Tesla, We Can Work It Out

(John Lennon, Paul McCartney)

[Originally by The Beatles]

Try to see it my way, do I have to keep on talkin' 'til I can't go on
Wanna see it your way, at the risk of knowing that our love may soon be gone

We can work it out, we can work it out

Think of what you're saying
You can get it wrong and still you think that it's all right
Think of what I'm saying
We could work it out and get it straight or say goodnight

We can work it out, we can work it out

Life is very short, and there's no time for fussing and fighting my friend
I have always thought that it's a crime, so I will ask you once again

Try to see it my way, only time will tell if I am right or I am wrong
Wanna see it your way, at the chance that we might fall apart before too long

We can work it out, we can work it out

Life is very short, and there's no time for fussing and fighting my friend
I have always thought that it's a crime, so I will ask you once again

Try to see it my way, only time will tell if I am right or I am wrong
Wanna see it your way, at the chance that we might fall apart before too long

We can work it out, we can work it out
