

Tesla, We're No Good Together

(Keith, Luccketta, Hannon)

Every day, yeah yeah, I wait till the morning light
Ooh with a feeling, yeah yeah, something here ain't right
When I think about it now, oh baby, ooh
When I think about all the good times we had
I knew there was something wrong, there was no chance for me and you

Oh now, now I try to tell you baby, there ain't nothing we can do
'Cos I'm no good for you, oh no baby, you're no good for me

Now it's been so long, so long, since the last time I've seen your face
I tell ya, there ain't nobody baby, in this whole wide world
Who could ever take your place, no way, oh no

Now I try to tell you baby, there ain't nothing we can do
'Cos I'm no good for you, no baby, you're no good for me
Oh, what I'm tryin' to say is, we're no good together

You know we can't go on, we can't go on together, no, oh baby
Honey we can't go on, we can't go on this way, baby, oh yeah
Listen to me, oh listen to me, I got something to say, I got something to say
I say that we're no good together, we're no good together
Now what's going round, you're all over town, and you're bringin' me down

[Solo]

Oh baby, we're no good together, we're no good together
We're no good together

Oh baby baby baby babe you know it's just no good
Oh it's no good together, oh oh, no good together
