

Tess, One Love

Whenever the heat is rising
Won't you come back to me
'Cause I want you to

Whenever the night is calling
I want to make love to you
Like we used to do

I know that you (one love)
Want me (one life)
I know (this time)
I know that we can make it
I've tried to get over you
But I belong to you
And you belong to me

Whenever the wind is changing
I'm not gonna run away
Like I always do

And when your heart is breaking
I'm gonna be right here
Right here for you

'Cause I'm strong enough to say to you
I want you back again

I know that you (one love)...
