

# Testament, Agony

Trapped in a nightmare  
Prisoners of warfare  
Days gone become years  
Of suffering...

Fight on but what's to gain ?  
Misfortune leads to pain...

Fearless they won't die  
Caged in they ask why

Cry out but don't cry  
In agony...

Live on but what's to gain ?  
Die slowly everyday  
Misfortune leads to pain  
Will they ever be saved  
From agony  
Agony  
Agony ?

In silent suffering  
It's never ending  
They pray to end their

Misery...

Fight on but what's to gain ?  
Die slowly everyday  
Misfortune leads to pain  
Will they ever be saved  
From agony  
Agony  
Agony  
Agony ?

Missing in action  
Never forgotten  
America the mighty  
Set them free...

Fight on but what's to gain ?  
Die slowly everyday  
Misfortune leads to pain  
Will they ever be saved  
From agony  
Agony  
Agony  
Agony ?
