

Testeagles, Dream Is Your Time

I see life
like an endless journey
if you believe
then the world stops turning
dream
dream is your time
dream
free you

Dream
Dream
Free you
Free you

Free yourself
like an open flower
spread your wings
and come fly beside me

Dream
Dream
Free you
Free you

I see life
I see life
flying high above me
in my youth
I remember shining

Free
Free
Free you
Free you

I see life
like an endless journey
if you believe
then the world stops turning
