

Testeagles, Hammerdrill

What the fuck
Give it up
Make the cut
Give it up
Face it

What the fuck
Give it up
Make the cut
Give it up
Face it

Oh no
Not this again
I should've known by now
I should've known better by now
But...
and It hits like a hammerdrill

What the fuck
Give it up
Make the cut
Give it up
Face it

What the fuck
Give it up
Make the cut
Give it up
Face it

Oh no
Not this again
I should've known by now
I should've known better by now
But...
I get dropped like a hammerdrill

Can you take it
when you face it
when your feelin'
Oh your feelin'
like dyin'
and cryin'
and your grievin'
Oh your grievin'

Wake Up!

Can You take it
when you face it
when your feelin'
Oh your feelin'
like dyin'
and cryin'
and your grievin'
Oh your grievin'

and its breakin you
and its breakin you

Can you take it
when you face it
when your feelin'

Oh your feelin'
like dyin'
and cryin'
and your grievin'
Oh your grievin'
