Tevin Campbell (Powerline), Stand Out

Open up your eyes, take a look at me
Get the picture fixed in your memory
I'm driven by the rythm like the beat of a heart
And I won't stop until I start
To stand out
To stand out
Some people settle for the typical thing
Livin' all their lives waiting in the wings
It ain't a question of "if", just a matter of time
Before I move to the front of the line
Once you're watching every move that I make
You gotta believe that I got what it takes
To stand out, above the crowd
Even if I gotta shout out loud
'Til mine is the only face you'll see
Gonna stand out ...
'Til you notice me
If the sqeeky wheel's always gettin' the grease
I'm totally devoted to disturbing the peace
And I'll do it all again, when I get done
Until I become your number one
No method to the madness, and no means of escape
Gonna break every rule or bend them all outta shape
It ain't a question of "how", just a matter of when
You get the message that I'm tryin' to send
I'm under a spell, I'm in over my head
And you know I'm going all the way to the end
To stand out, above the crowd
Even if I gotta shout out loud
'Til mine is the only face you see
Gonna stand out ...
'Til you notice me
If I could make you stop and take a look at me
instead of just, walkin' on
There's nothin that
I wouldn't do if it was gettin' you to notice
I'm alive
All I need is half a chance,
a second thought, a second glance
To prove, I got whatever it takes
It's a piece of cake
To stand out, above the crowd
Even if I gotta shout out loud
'Til mine is the only face you'll see
Gonna, stand out, staaaand out
Stand out!
Stand out!
'Til mine is the only face you'll see
Gonna stand out
'Til you notice me
