

# Tevin Campbell, Round And Roundtc

I love you girl  
You called me up and I came to see you  
You say you been awake all night  
It hurts me deep inside when I see you cryin'  
Whatever's wrong, I'll make it right

Bridge:  
If you understand how I feel  
You should know that my love is real

Chorus:  
Tell me what you want me to do  
My love is always here for you  
Tell me what you want me to do  
My love is always here for you  
So tell me what you want me to do  
Tell me girl

There were times when I didn't show it  
Just how much I care for you  
I'm so sorry  
Now don't keep sayin' it's too late...to think  
It over baby  
After all that we've been through

Bridge 2:  
Girl, I'm beggin' you  
I'm down on my knees  
Don't walk away baby please don't leave (me)

Chorus

Bridge 3:  
Girl I know that we can work it out somehow  
Isn't that what love is all about  
I'm gonna see it through this time  
I won't let you slip away  
Say you'll stay with me  
Stay with me girl  
'Cause you're the finest girl that I've ever seen

Chorus:  
Tell me, tell me what you want me to do baby  
My love is only here for you and only you  
Tell me what you want me to do  
My love is always here for you  
So tell me what you want me to do  
So tell me what you want me to do
