

# Texas Lightning, No No Never

My love is stronger now than you&#039;ll ever know  
and it won&#039;t ever let you go  
My love is wider than the ocean can be  
and its deeper than the deep blue sea  
My love goes higher than a mountain can rise  
and I see it there in your eyes  
My love gets tougher when the going gets rough  
and believe me, I&#039;ve got more than enough

Keep tryin&#039; babe, keep holding on  
There&#039;s a place we belong  
Where things are good, where love is strong

I&#039;m never ever gonna leave you to cry on your own  
Never ever gonna not go and pick up the phone  
I&#039;m never ever gonna let you be chilled to the bone  
No, no, never  
No, no, never  
I&#039;m never ever gonna leave when you&#039;re lost in the storm  
Never ever gonna not keep you safe where it&#039;s warm  
I never ever will desert you when your heart is torn  
No, no, never  
No, no, never

My love shines brighter than a twinkling star  
baby no matter where you are  
And my love keeps burning like an eternal flame  
you can feel it, when I&#039;m calling your name

Keep tryin&#039; babe, keep holding on  
There&#039;s a place we belong  
Where things are good, where love is strong

I&#039;m never ever gonna leave you to cry on your own...
