

Texas, Listen To Me

You came down as if from heaven
Laid a soft hand on me
I kept on walking and thinking
Where my life's gone I should weep
Well I don't know where I've been going
I've never known the reason why
So listen to me
I'm scared to cry
The angel sat down at my table
I told her all my doubts and pain
She said there always is a time for love
That it will come to me again
But I don't know where I've been going
I've never known the reason why
So listen to me
I'm scared to cry
Well I don't know where I've been going
I've never known the reason why
So listen to me
I'm scared to cry
Yeh listen to me
I'm scared to cry
Without me you would be nowhere
All alone I've cared
You owe it all to me
