# Texas, So In Love With You

I'm so in love with you
Whether it is right or it's wrong
I'm too weak to be strong
I'm so in love with you
Well you say you need something
To help you when you're down, to take your fears away
Yeh you say you'd do anything
To keep your feet off the ground
And help you on your way
You're all I need
Yeh you are all that I need
I'm so in love with you
I'm so in love with you
Whether it is right or it's wrong
I'm too weak to be strong
I'm so in love with you
When you see your reflection
You say it isn't you
Then you turn the other way
And I'm watching you suffer
Yourself and your pain
Please don't fade away
