[J-Ro]

For reals, I gots more skills than an occupation center I got your hoe cookin my dinner Action, lights and cameras ain't needed Indeed it's, the nigga that be gettin rappers heated I'm J-Ro, and my style is darker than a mole My rhyme is so hot you got to stop drop and roll All the Liks releases, become masterpieces Oh jeezus, my style is sick like pork greases

[Chorus]

And I can't holt it in (I can't hold it in) I gotta let it all out (I gotta let it all out) They'll say I can't hold it in (I can't hold it in) I gotta let it all out (I gotta let it all out)

They'll say I can't hold it in (I can't hold it in) I gotta let it all out (I gotta let it all out) They'll say I can't hold it in (I can't hold it in) I gotta, I gotta let it all out

[J-Ro]

I get in em when I sin em, the Alkaholik venom I fold your clothes with your body still in em The rhymes I got, hit like Ronnie Lott The only way you take my spot is with a shot I grab rappers by the hand and make sure they understand That they can't scrape J-Ro the man A nigga who stays, in the old school ways And just like Subways, I can make your days We got more soul than James Brown and platform Adidas The Likwit crew, comin new like a fetus So run tell your granny, your pops and your girl Niggaz like me gonna rule the world So all aboard the J-Ro train to FunkyTown Express from the West so it's best that I clown

[Tash]

I bust the Alize on ice on down to Beck's brew I got more fame than Dana Dane I hold mics like Donahue Cause I'm committed, admit it, you was +Too Legit to Quit+ it Dancin with toilets now you can't get busy with it With the vintage Olde Gold gettin dusty in the cellar I throw my shit deeper than Jeff Hostettler So yo what you got, cause god DAMN it's hot It's the Alkaholik rhymer up in your night spot So ease up off my line, and let me rhyme I'll lose you like that jewelry that that bitch can't find on BET, and yo it'll take a secret psychic Cause even in the future I'ma freak it when I mic it

[Chorus]

[Tash]

With flows rough enough to cut ya, beats enough to touch ya Known to rock the cooles with the liquid rhyme structures It's the man with vocal tones that hurt words to broken bones I got flows throughout my body deep rooted like kidney stones So tap into the cold while I torch MC's Cause I be itchin for a scratch like the Force MD's But yo fuck that, Tash is in the wind with the gin I gotta pass the mic to J cause he can't hold it in

[J-Ro]

I can't hold it in my friend the Liks get the most clout We be scorin points like Michael Irvin on the post route And just like Joi boy, I make your bones ache man Just how much punishment can a rapper take man? The homes be like "Where you been?" man I been creatin We had you salivation like the dogs that be waitin for the Kibbles n Bits, I love pits tits and rap hits And Bruce Lee flicks, and clockin yapes with the Liks

[E-Swift]

I can't hold it in I gotta speak my mind THere's a lotta half-ass niggaz thinkin they can rhyme But their style is not buttah, it's more like Busta without the A YOu never think of nuttin fresh to say The freshest DJ from the state of Ohio I remember when you battled, cuttin up Survival Nots toe fucked with, used to brag and boast Packed up my Technics, now I'm on the West coast, now I
