

# Tha Dogg Pound, Niggas Don't Give A Fuck

(Dr. Dre)

Tha motherfuckin' Dogg Pound  
is definitely in the motherfuckin' house  
You know what I'm sayin'?  
Yo Kuruft, run that shit

(Kuruft)

Niggaz I grew up with, niggaz I jacked with  
Some niggaz I'm cool with and some niggaz I scrapped with  
Gets crazy when the light gets dark  
Put my schwin on the porch, now I'm headed for the park  
(Little does he know there's a crew of niggaz waitin'  
to put him on they hood, and they been anticipatin')  
Fix my khakis as I step and I parks my ride  
(Ey yo, what up Kuruft?) Westside, nigga (Right)  
Peepin' out the spot and that's just on GP  
Just in case some motherfuckers wanna try and see me  
No sooner than I say what I'm thinkin' what I thought of  
Two niggaz run up on me and they tellin' me to follow  
And now they askin' me what hood I'm from  
Well since yo' hood is my hood, then my hood is yo' hood  
The rat pack is on, as I falls to the floor  
I can't run so I guess I gotta throw 'em  
I'm scrappin' with these niggaz 'til my mouth got bloody  
And after it's over we got some drink and we got budded  
Since I'm only 13 this must be my intro  
I really don't know but that's just how that shit flow  
Rat-tat-tat-tat, fuckin' droppin' on that ass  
B.G. is born, so grab your gats and blast  
It's like I'm free but yet and still I feel I'm stuck  
Cause the hood that I'm from niggaz don't give a fuck

(Chorus: Snoop Dogg)

Run for your gun motherfucker and duck  
If you slip you'll get plucked 'cause (niggaz don't give a fuck, nigga)  
Lil' looney motherfucker by the name of Kuruft  
Growin' up crazy 'cause (niggaz don't give a fuck, nigga)  
So Daz, my mellow, my nigga  
Show these motherfuckers that (niggaz don't give a fuck, nigga)  
The click that I'm with - don't give a shit  
You know why? (niggaz don't give a fuck)

(Dat Nigga Daz)

Early '85 got my stack on fat  
Got kinda flossy and rushed me a 'Llac  
It felt kinda funny with money, but ain't no thang  
See what's a Coupe DeVille without a set of Dana Danes?  
So I rushed 'em with the quickness and I put 'em on the Coupe  
Smokin' weed, servin' cavi, now I know how to cook loot  
Dat Nigga Daz was the name and the game was mine  
Sewin' shit up for willow to the back of 1-9  
Mr. Dopeman, they done ga-uh-grabbed me  
Sent me to penitentiary 'cause I used to serve cavi  
Makin' big money on the block, that was us 'til we bust  
Off-brand stepped up then off-brand get rushed (blaaw!)  
Motherfucker (fuckers), knew about me ('bout me)  
Well they didn't know enough to where they say they doubt me (doubt me)  
So it's relatively cool and shit  
But the niggaz who don't give a fuck, are the niggaz I fuck with

(Chorus: Snoop Dogg)

Throw your guns in the motherfuckin' air, we don't care  
(Niggaz don't give a fuck, nigga)  
About nothin' at all, just my doggs and clockin' a grip

(Niggaz don't give a fuck, nigga)  
That's why I can kick it so tough, 'cause when times get rough my  
(Niggaz don't give a fuck, nigga)  
The click that I'm with, don't give a shit, you know why?  
(Real niggaz don't give a fuck, nigga)

(Dat Nigga Daz)  
Now I'm back up on the block  
And I'm the G that's pushin' ki's, puttin' a 187 on cops  
And it don't stop, and it don't quit  
Now let me see if these niggaz plan to set trip  
Bang to the boogie and boogie to the bang  
is the song that I sang when I let my nuts hang  
Do my thang - quickly, slowly, fo' surely  
Niggaz like yourself best to act like you know me

(Kurupt)  
Startin' shit 'cause they niggaz mad doggin' me  
So now it's time for me to release the fuckin' hogg in me  
I puts my hand on my heat, peep, we four deep  
Dat Nigga Daz, Warren G, me and Snoop Doggy Dogg in a '93 Jeep (beotch)  
It don't stop - glock, in the back, pack a fat knot  
Anybody killer, so what's up?  
Kurupt and Dat Nigga Daz  
(Are two niggaz who don't give a fuck)..

(Niggaz don't give a fuck, nigga)  
(Niggaz don't give a fuck, nigga)  
(Niggaz don't give a fuck, nigga)  
(Real niggaz don't give a fuck, nigga)

(Dr. Dre)  
Awww shit, ha ha ha, yeah  
I like that shit, ya know  
I like that gangsta shit  
This is definitely some of that shit  
A nigga could kick back and smoke a fat ass joint to  
Know what I'm sayin'?  
Dogg Pound in the house...
