

# Tha Dogg Pound, Treat Her Like A Lady

Yeah, yeah you know I was strolling down the street the other day  
you know and I ran into this lady I'm like "what's up mommy,  
hey what's up baby, what's cracking baby what's going on with you girl";  
You know she tried to act all funny ain't wanna speak to a nigga,  
I'm like "Ya bitch! Shit, f\*\*king bitch!";  
It ain't like you ain't never sucked dick before ya bitch.  
Ya stupid ho, you bitch, you hoe...

(Kurupt)

Calm and collected, I'm in a zone of my own  
Clouded clips of chrome, sunny californ-  
The home of jack artist, thick thighs and Myties  
Major high, suicide, drive-byes and crime  
Homicides, gang banging, the bangers bang  
See out here in baby we into our own thang  
Time to head up to Venice, kick it on the beach  
Ladies all the thick, the bomb, soft as a peach  
It's me and Daz, dogs off the leash  
Who all the ho's want to cling on to and suck dry like a leach  
Daz and Kurupt coming out the cut  
We just don't give a f\*\*k and just wanna f\*\*k  
And all we wanna do is bust a nut  
Come see me ho, ya bitch, ya slut  
And the bitch had the nerve to ask me for a motherf\*\*king autograph  
I'm like you goofy bitch!

(Chorus 2X)

If you want some play from me tonight  
You got to treat me right  
Treat me like a lady

(Daz)

So I'm a stand at an angle  
She was thick like a mango  
If I f\*\*ked her in bed, the bitch was hard to tangle  
I ain't no Casanova  
I ride a cruiser and a nova  
But I'm young for my age  
I'm on a whole different page  
I f\*\*k bitches old as my age  
I need a bitch with class, I need a bitch that's paid  
Wine and dine at a Toro's,  
Me and my amigos  
Drinking margarita's with a couple of ho's  
You want a soft cut nigga, do what I say type of man  
That's some shit I don't get with, some shit I don't understand  
Later on 'til the break of dawn, busting the thongs  
Till the twats gone all you heard was moans  
Ass, hips, and lips over a hard ass dick  
Make a good combination when I'm nutting and shit  
She said you know I don't suck dick but I...  
(Oh you lying bitch. You ate lil' Mo's dick last week)

(Chorus)

(Kurupt)

I treat 'em how they act, knock 'em how they want it  
Some of you fools just ain't up on it  
Conversation waste time, I'm straight to the topic  
Let me see them thongs baby, I want to see them drop it  
With baby bearing hips the baby sticks right out  
Soon as they touch the floor I pull my dick right out  
Daz you ever see this bitch before (Naw)  
Well she's about to blow your socks off, she's about to knock on the door

(Daz)

Well I rather get an ugly bitch then a fine bitch  
'Cause an ugly bitch don't want ya but a fine bitch want all ya shit  
Lil' bitch, fat bitch, small dick, big dick  
Love the way you switch shit she love that shit  
She say Daz, "I love ya 'cause ya f\*\*king me"  
But in my mind bitch ya really nothing to me  
Her ass so plummy, I treat her like a puppy  
(And make that bitch pop that monkey)

(Chorus) - 2X

(I'm gonna treat you like a lady and give you FIVE dollars.  
You only live down the street, you can even walk.  
Come on I'll even walk with you come on, I'll even walk with you.)
