I met her way back when on tour, day ten
I had her bent over backwards, her and her best friend
I was doin her in, makin me cum again and again and again and again
Havin a bomb while baby ate my balls
Gobbling all, dick all in her jaws
And you know after I nut
I gotta get the f**k up and hit the cut, bitch
You always 'll be a ho that I know
When it shows in your attitude, it shows in your clothes
Look at her lookin cute in the Channel leather boots
And her pussy got juicer than a Juicy Fruit
Dick gobbler, nut swallower
You know the bitch is a real top scholar
Off ecstasy baby f**kin the best of me
Beyonc is my Destiny

You're jus a bitch
You're jus a bitch
(Kurupt) Bitch

(Kurupt)

She's just a perfect ball blower
I'm a f**kin it up
See all you'll ever be is a bitch to Kurupt
Put it in perspective, all she wanna do is eat some
Put it in perspective, all the bullet do is feed some
Put it in perspective, all I wanna do is beat some
So before I beat it, you can eat it, bitch
These bitches nowadays ain't right
Still havin a good time, all they wanna do is fight
But I ain't got time for it, I'm a say it again
See I ain't got time for it, nor the money to spend
But you bitch, let me tell you what you could do bitch
And all you'll ever be to me and my crew bitch
A dust bag, dirtier than the motherf**kin dirt
Or I could rat, only good for hittin from the back
Scandalous than a motherf**kin fat bitch
Pro'ly would a ate the homie's dick if ain't crackin so quick
