

Thalarion, Kania (My Vampiric Bride)

Let me love you, let me hate you
Your lewd tongue is frostily cool
Don't think I am another fool
Who will watch your masturbation

I want to feel your hot breath
Your purple lips upon my throat
Where your eyes blaze by the flame of death
In desire for you I float

I wanna love ...
Oh dear Kania, oh my vampiric bride
Kania, you are the dream of mine
I wanna love ...
Oh dear Kania, oh my vampiric bride
Kania, you are the dream of mine
