

Thao With The Get Down Stay Down, Beat (Health

beat my brow
beat my chest
beat the ones who love me the best
oh how could they be liars?
they assure me health, love, and fire

who who-oooh hoouo
who who-oooh hoouo

oh no!
how can you stand it
when i run, when i run like a bandit
i wear him like a habit
in the lining of my jacket
and oh my gunpowder
and an emergency
i must battle without her
she is surely killing me

who who-oooh hoouo
who who-oooh hoouo

so you're never gonna leave
and i'm never gonna leave
but i'm proud to say i've got us beat
and you're never gonna leave
and i'm never gonna leave
but you're never gonna love me like i need

who who-oooh hoouo
who who-oooh hoouo
who who-oooh hoouo
who who-oooh hoouo
