

# Thao With The Get Down Stay Down, Beat (Health, Life, And Fire)

beat my brow  
beat my chest  
beat the ones who love me the best  
oh how could they be liars?  
they assure me health, love, and fire

who who-oooh hoouu  
who who-oooh hoouu

oh no!  
how can you stand it  
when i run, when i run like a bandit  
i wear him like a habit  
in the lining of my jacket  
and oh my gunpowder  
and an emergency  
i must battle without her  
she is surely killing me

who who-oooh hoou  
who who-oooh hoou

so you're never gonna leave  
and i'm never gonna leave  
but i'm proud to say i've got us beat  
and you're never gonna leave  
and i'm never gonna leave  
but you're never gonna love me like i need

who who-oooh hoou  
who who-oooh hoou  
who who-oooh hoou  
who who-oooh hoou
