

Thao With The Get Down Stay Down, Geography

Oh, geography
Is gonna make a mess of me
Oh, geography
Is gonna make a mess of me

My my mouth
A confessional cannon
Run away from me
With the most reckless of abandon

Are you unhappy for me?
I am unhappy for you
All I can think to do
Get you get you get you
Good good good good

But I don't know
What I don't know
Well I don't know
What I don't know
Oh, oh

Fire compels
Fire consumes
You are a cheater
You are too fireproof
You are fireproof
I am a smoky plume I am
Climb a ladder up to
Your bedroom

But I don't know
What I don't know
Well I don't know
What I don't know
Oh, oh

My blood is thin
With aspirin
I throw you in
I throw you in
My blood is thin
With aspirin
I throw you in
I throw you in
I throw you in
