

# That's So Raven, Supernatural (Crystal Ball Mix)

Supernatural!!!

It's supernatural  
Did you a shootin' star  
Cross da sky spectacular  
On da front by a mile  
Radiatin' crazy ride  
The universe comes to me  
I can make it look so easily  
Like a rare phenomenon

You can see today  
But I can see beyond  
When I get dis' feelin'  
Somethings about to happen'  
Without any reason  
It's Supernatural

Some people call it crazy  
There's no explaining  
Just believe what you see  
It's Supernatural

Got da flo'  
Got da mic  
Livin' in dis' double life  
Welcome another world  
Magic sistah... Supa Girl  
Don't know how I do what I do  
But I can make it all come true  
Got da skills  
Got da touch  
Got the sense... I'm takin' off!!!

May be superhuman  
May be supa strange  
Like a force of nature  
A Hurricane

Why doesn't matter  
Where I got it from  
Got the power  
And I'm goin' GONE!!!  
(Believe what you see)  
OH OH OHN Yeah ye Yeah  
When I get dis' feelin'  
Somethings about to happen  
Without any reason  
It's SUPERNATURAL, uh oh uh oh, it's supernatural, uh oh uh oh,  
It's SUPERNATURAL
