

# That's So Raven, Supernatural (Remix)

woo..... supernatural

cant you see a shooting star  
cross the sky spectacular  
on the front  
by a mile  
radiating crazy styles  
the universe comes to me  
i can make it look easy  
like a rare pheonomonan  
you can see today  
what i see beyond

Chorus:  
when i get this feeling  
some things about to happen  
without any reason  
it's supernatural  
some people call it crazy  
some things there's no explaining  
just believe what you see  
it's supernatural

on the floor got the mic  
living in this double life  
like living in another world  
magic sista super girl  
i dont know how i do what i do  
but i can make it all come true

got the skills  
got the touch  
got the sense i'm taking off

Chorus:  
when i get this feeling  
some things about to happen  
without any reason  
it's supernatrual  
some people call it crazy  
some things there's no explaining  
just believe what you see  
it's supernatural

maybe superhuman  
maybe superstrange  
like a force of nature  
a hurricane  
doesn't matter where i got it from  
got my power and i'm goin goin goin gone

Chorus:  
when i get this feeling  
some things about to happen  
without any reason  
it's supernatural  
some people call it crazy  
some things there's no explaining  
just believe what you see  
it's supernatural

it's supernatural

it's supernatural

it's supernatural

it's supernatural
