

The 1975, Chocolate

Call it a split because I know that you will
You bite your friends like chocolate
You said 'We go where nobody knows, we got guns hidden under our petticoats'
And 'We're never gonna quit it'
And 'We're never gonna quit it, no'

Run, run away from the boys in the blue
My car smells like chocolate
Now I think about what to do, I think about what to say, think about how to think

Pause it play it, pause it play it, pause it

We go where nobody knows, we've guns hidden under our petticoats
We're never gonna quit it, no we're never gonna quit it no
Yeah we're dressed in black, from head to toe, we've got guns hidden under our petticoats
And we're never gonna quit it, no we're never gonna quit it no

No we're never gonna quit it
No we're never gonna quit it
Now, 'You're never gonna quit it if you don't stop smoking it'
That's what she said
She said 'We're dressed in black, head to toe, we've got guns hidden under our petticoats'
And 'We're never gonna quit it'
And 'We're never gonna quit it, no'

We're building up speed as we're approaching the hill
'My hair smells like chocolate'
Hey now you say you're gonna quit it but you're never gonna quit it
So go get it, go get it, go get it, go get it, go
And play it cool

We go where nobody knows, with guns hidden under our petticoats
And we're never gonna quit it, no we're never gonna quit it no
Yeah we're dressed in black, from head to toe, we've got guns hidden under our petticoats
And we're never gonna quit it, no we're never gonna quit it no

I think we better go, seriously better go
Said the feds are here you know
Seriously better go, well I think we better go
Said the feds are here you know
Said Rebecca better know
Seriously better go

We go where nobody knows, with guns hidden under our petticoats
And we're never gonna quit it, no we're never gonna quit it no
Yeah we're dressed in black, from head to toe, we've got guns hidden under our petticoats
And we're never gonna quit it, no we're never gonna quit it no

I think we better go, seriously better go
Said the feds are here you know
Seriously better go, well I think we better go
Said the feds are here you know
Said Rebecca better know
Seriously better go
