

The 1975, Human Too

Considering me looking through you
Thinking it was something I used to do
I thought I'd done anger
I thought I'd done shame
But I've always been the same

Well, don't you know that I'm a human too?
You know that you're a human too?
Darling, that's what humans do
So, tell me you're a human

I'm sorry about the bomb thing
That's overdue
I'm sorry that I quite liked seeing myself on the news
And I'm sorry that I'm someone that I wish I could change
But I've always been the same (One more time)
Yeah, I've always been the same

Don't you know that I'm a human too? (Human too)
You know that you're a human too?
Darling, that's what humans do
So, tell me you're a human

Oh, don't you know that I'm a human too?
You know that you're a human too?
Darling, that's what humans do
So, tell me you're a human

Don't you know that I'm a human too?
Just know that you're a human too
Oh, darling, that's what humans do
So, tell me you're a human

Oh, tell me you're a human
Tell me you're a human
