

The 1975, I'm In Love With You

Heartbeat is coming in so strong
If you don't stop I'm gonna need a second one
Oh, there's something I've been meaning to say to you baby (hold that thought)
Yeah, there's something I've been meaning to say to you baby
but I just can't do it
What a call, moving in
I feel like I can loosen my lips
(come on so strong)
I can summarise it for you
It's simple and it goes like this..
I'm in love with you
She's got her broadsheet, reading down the list of the going wrong
s
(yeah, yeah, yeah)
I'm getting no sleep. Tossing and turning all night long
Oh, there's somewhere I've been meaning to take the conversation (hold that thought)
Yeah, there's somewhere I've been meaning to take the conversation, but I just can't do it
You show me your black girl thing, pretending that I know what it is (I wasn't listening)
I apologise, you meet my eyes
Yeah it's simple and it goes like this..
I'm in love with you
Yeah I got it!
I found it!
I've just gotta keep it
'Don't fuck it, you muppet!!'
It's not that deep
I've been counting my blessings
Thinking this through just
like '1, 2.. yeah I'm in love with you!!'
I'm in love with you
