

The 3rd And The Mortal, Death-Hymn

Dreams carry me into sleep
As I sigh
I write your name in my Soul
As I search your words
I cast my Destiny on to you

Deadly whisper in my ear
Finally me now, my time has come

I never thought I would feel this way
I never thought I would go this far
I never thought I would surrender
I never thought I would give in to you

To give me a sign before I die
Show me you've heard my prayer
Veil of mist, hazy my view
The entrance to Death
Appears
