

The 69 Eyes, All american dreams

On the edge of the world where the neon screams diet-coke religions
shutdown tv-screens
american boy loves american girl
most beautiful people in the shattered world
I do believe in all-american dream
I do believe in all-american dream on
The edge of the world where the freon streams snortin' up
white mountains in the pools of white limousines millenium boy
millenium girl most beautiful people
in this shattered world
I do believe in all-american dream
I do believe in all-american dream
In god we trust in cars we rust an
I do believe in all-american dream
